ENDORSEMENT of Clay "Sparky" Bollinger

Citizens of Ridgetop,

I enthusiastically endorse Clay "Sparky" Bollinger for Mayor of Ridgetop. I first met Clay at Camp Lejeune, North Carolina and then we subsequently deployed to combat together to Fallujah in Iraq. During the years I have worked with Clay, I have had extensive opportunity to observe him on a daily basis dealing with complex tasks, challenging persons, and bringing together disparate viewpoints. Also, I have maintained regular correspondence and interactions with Clay on a broad range of subjects. From this relationship, I confidently state that he has impeccable integrity, an unbelievable work ethic, and a commitment to faithful public service. Based on my experience, I unequivocally attest to his devotion to his communities, to their improvement, and to getting work done.

Clay is a consummate professional who exemplifies a commitment to service with integrity. He intuitively understands the need to commit and follow through, traits that will well serve him as Mayor of Ridgetop. In these modern times, our communities face many challenges that require a leader that can bring together diverse viewpoints. Clay is that leader.

I leave you with my strongest endorsement of Clay as the Mayor of Ridgetop.

Sincerely,

Alex G. Peterson  
Colonel, U.S. Marines (Ret.)
